

BRE Wales is based at the Engineering Centre for Manufacturing and Materials (ECM²) complex in Port Talbot

Travelling by car

From the South-East and the South-West

The M4 motorway runs directly to Port Talbot from London and Heathrow Airport (the M25/M4 from Gatwick Airport), and the M5/M4 from the West Country. Turn off the M4 at Junction 38 (signposted A48 Port Talbot). Follow the road for approximately 1km, and the entrance to ECM² can be found on the left, signposted to Corus.

From the Midlands and the North

via M6/M5/M50, the A465 Heads of the Valleys route brings you across spectacular Brecon Beacons and directly into the Vale of Neath. Join the M4 at Junction 43 and exit at Junction 38 (signposted A48 Port Talbot). Follow the road for approximately 1km, and the entrance to ECM² can be found on the left, signposted to Corus.

Travelling by train

Intercity offers an hourly service direct from London Paddington to Port Talbot. For details of Intercity and regional rail services please contact the National Rail Enquiries on 0845 7 484950 or principal stations.

Travelling by air

Cardiff Wales Airport is less than 40 miles from Neath Port Talbot. For details contact the airport on 01446 711111. Swansea Airport is also within easy reach, and can be contacted on 01792 204063.
