

How to get to BRE Innovation Park @ Ravenscraig

Travelling by road

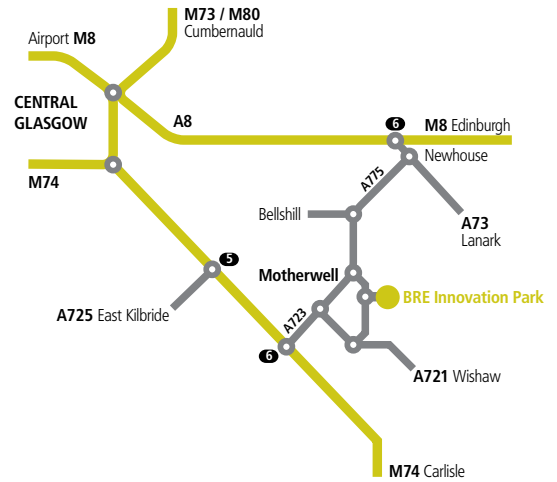

The BRE Innovation Park at Ravenscraig is built on a new development, not yet recognised by navigation systems. Putting our address into Google maps shows the wrong location. Alternatives are to enter 'New Craig Road' or to use the postcode for the nearby Ravenscraig Sports Centre, ML1 2TZ.

From the north and east of Glasgow, and from Edinburgh

Leave the M8 Glasgow/Edinburgh motorway at junction 6, signposted A73 Lanark /A723 Motherwell and Wishaw. Join the A73 towards Lanark. After 400 yards, at the roundabout, turn right, signed to A775 Holytown /A723 to Motherwell. Cross three small roundabouts. At next, larger roundabout, turn left, A723 towards Motherwell. Follow this road uphill for 1.6 miles, continuing straight on at each of four small roundabouts and passing New Stevenson. At the top of the hill, at a much larger roundabout, take the second exit, signposted to Ravenscraig / Wishaw A721. The road becomes dual carriageway. After 300 yards, go straight at next roundabout (new housing development to left). After 500 yards, turn left at roundabout (you will see the BRE Innovation Park sign). The entrance is immediately on the right as you leave the roundabout.

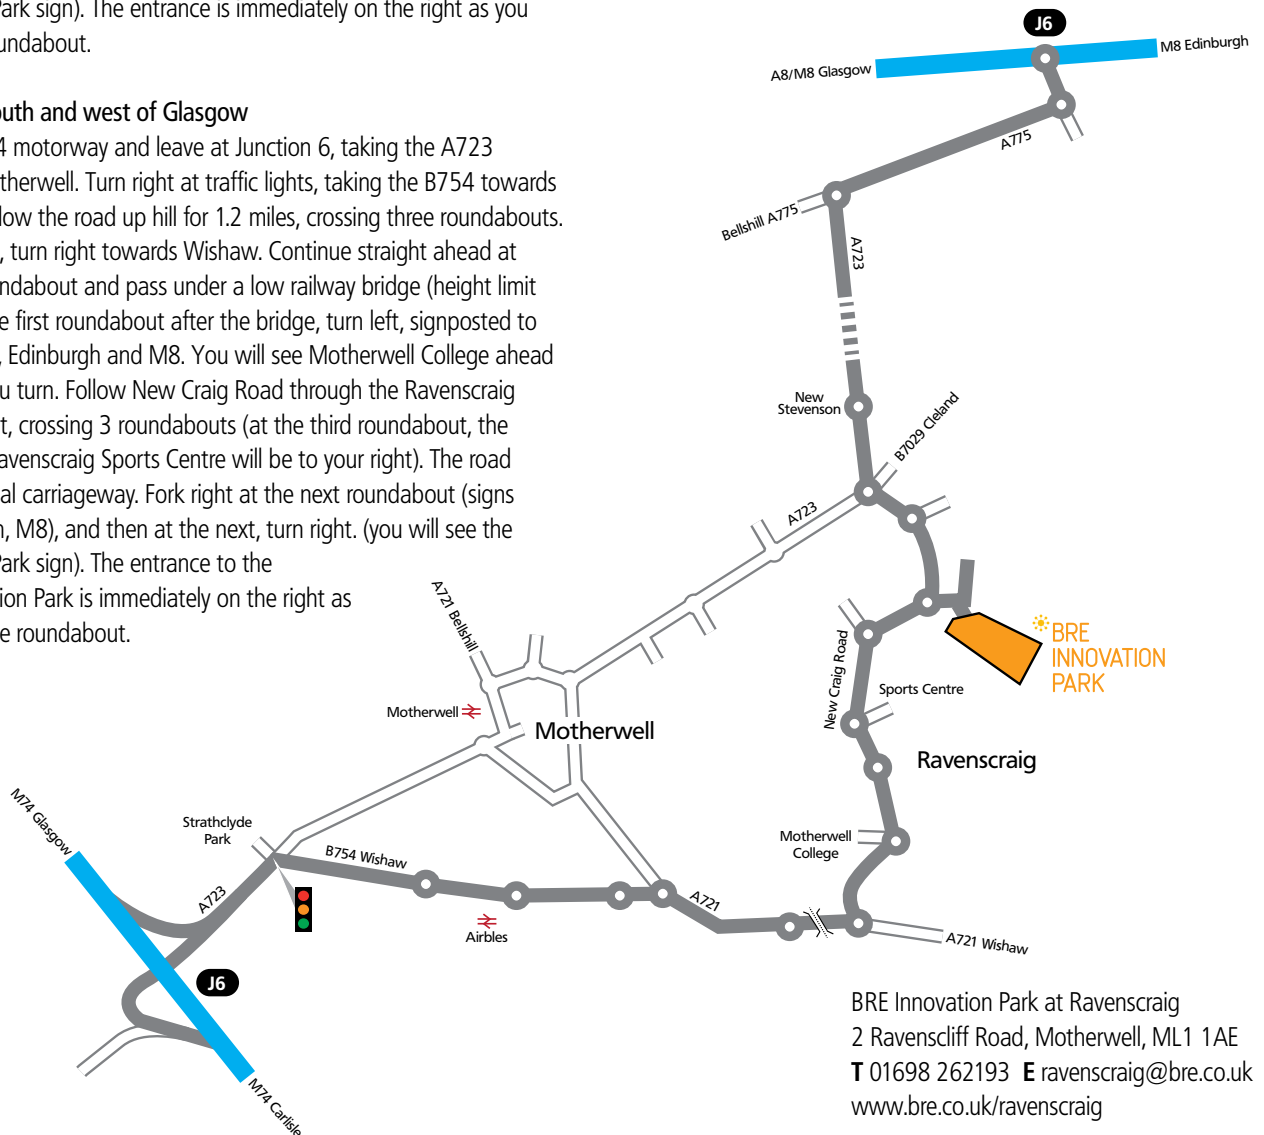

From the south and west of Glasgow

Use the M74 motorway and leave at Junction 6, taking the A723 towards Motherwell. Turn right at traffic lights, taking the B754 towards Wishaw. Follow the road up hill for 1.2 miles, crossing three roundabouts. At the A721, turn right towards Wishaw. Continue straight ahead at the next roundabout and pass under a low railway bridge (height limit 4.6m). At the first roundabout after the bridge, turn left, signposted to Ravenscraig, Edinburgh and M8. You will see Motherwell College ahead of you as you turn. Follow New Craig Road through the Ravenscraig development, crossing 3 roundabouts (at the third roundabout, the distinctive Ravenscraig Sports Centre will be to your right). The road becomes dual carriageway. Fork right at the next roundabout (signs to Edinburgh, M8), and then at the next, turn right. (you will see the Innovation Park sign). The entrance to the BRE Innovation Park is immediately on the right as you leave the roundabout.

By Rail or Bus

Trains to Motherwell station. Bus links are available from there. Contact Strathclyde Passenger Transport on 0141 332 6811 or visit www.spt.co.uk for more information.
