STATEMENT OF DIRECTORS’ RESPONSIBILITIES IN RESPECT OF THE DIRECTORS’ REPORT AND THE FINANCIAL STATEMENTS
For the year 1 April 2012 - 31 March 2013

The directors are responsible for preparing the Directors’ Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK Accounting Standards and applicable law (UK Generally Accepted Accounting Practice).

The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that its financial statements comply with the Companies Act 2006. They have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.
Independent auditor's report to the members of BRE Group Limited

We have audited the financial statements of BRE Group Limited for the year ended 31 March 2013, set out on pages 5 to 9. The financial reporting framework that has been applied in their preparation is applicable law and UK Accounting Standards (UK Generally Accepted Accounting Practice).

This report is made solely to the company’s members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company’s members those matters we are required to state to them in an auditors’ report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company’s members, as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

As explained more fully in the Directors' Responsibilities Statement set out on page 2, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

A description of the scope of an audit of financial statements is provided on the Financial Reporting Council’s website at www.frc.org.uk/auditscopeukprivate.

Opinion on financial statements

In our opinion the financial statements:
• give a true and fair view of the state of the company’s affairs as at 31 March 2013 and of the company’s result for the year then ended;
• have been properly prepared in accordance with UK Generally Accepted Accounting Practice; and
• have been prepared in accordance with the requirements of the Companies Act 2006.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion the information given in the Directors' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
Independent Auditor’s Report to the members of BRE Group Limited

(continued)

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:
• adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
• the parent company financial statements are not in agreement with the accounting records and returns; or
• certain disclosures of directors’ remuneration specified by law are not made; or
• we have not received all the information and explanations we require for our audit.

ACCOUNTING POLICIES

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the financial statements.

*Basis of preparation*

The financial statements have been prepared in accordance with applicable accounting standards and are prepared under the historical cost and going concern conventions. The principal accounting policies are as set out below and have remained unchanged from the previous year.

The company is exempt by virtue of s400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the company as an individual undertaking and not about its group.

Under FRS 1 ‘Cash Flow Statements’ the company is exempt from the requirement to prepare a cash flow statement on the grounds that a parent undertaking includes the company in its own published consolidated financial statements.

As the company is a wholly owned subsidiary of BRE Trust, the company has taken advantage of the exemption contained in FRS 8 ‘Related Party Disclosures’ and has, therefore, not disclosed transactions or balances with entities which form part of the group (or investees of the group qualifying as related parties). The consolidated financial statements of BRE Trust, within which this company is included, can be obtained from the address at the front of the financial statements.

*Investments*

Investments in subsidiary undertakings, associates and joint ventures are stated at cost less amounts written off.
During the financial year and the preceding financial year the company did not trade and received no income and incurred no expenditure. Consequently, during those years the company had neither a profit nor a loss.

The auditors' remuneration is paid by other group companies.
