Certified Passive House Tradesperson
Specialisation Building Envelope / Building Services

iPHA membership

The advantages of iPHA membership:

- Passipedia, the Passive House resource, provides iPHA members with a constantly growing, interactive body of specialised Passive House knowledge.
 - The iPHA Forum, providing members with a dynamic platform for exchange.
 - iPHA membership facilitates a growing Passive House network, connecting stakeholders globally for an enhanced exchange of knowledge and ideas.
 - iPHA members are presented in an online member database, featuring Passive House experts, regional organisations other Passive House stakeholders worldwide.
 - Regular newsletters and press releases keep iPHA members up to date on Passive House developments.
 - iPHA members receive discounts on Passive House Institute services and events.
- iPHA members receive special access to a diverse array of Passive House materials in the Member Area.

All Certified Passive House Tradespeople will be listed on www.passivhaus-trades.org
