

FREE SUSTAINABLE REFURBISHMENT EXPERT CONSULTATION

Tuesday 6 – Thursday 8 April

Aim of the consultation

To provide in-house, specific, focused and expert advice which is directly relevant to your needs and sustainable improvement plans. This support is fully funded by *emda* and no contribution is required from the organisation for the visit. This is a rare opportunity to gain free, tailored advice from BRE and EC Harris.

How?

Two sustainability experts from BRE and EC Harris that are leading the 'Green futures for existing buildings' programme will come to your organisation to discuss and advise you on your issues. They will:

- provide in-house seminars on your preferred sustainable refurbishment topics
- advise on where to start or how to progress with your plan
- give guidance on any barriers that you are experiencing

When? The visits will be conducted in the **East Midlands region** from **Tuesday 6 April** to **Thursday 8 April**
