

# Let's Discuss the Future of Fire Investigation and Research!

20 February 2007, BRE, Garston, Watford

Organised by BRE and the IFE Fire Investigation Special Interest Group this one day workshop will provide an opportunity for the exchange of information and a forum for discussion between fire investigators and research scientists.

Presentations will include a report on the implications to fire investigators of the recent revisions to Approved Document B (fire safety) and the Regulatory Reform (Fire Safety) Order, relevant Department for Communities and Local Government (DCLG) research and reports from a selection of fire investigation organisations. There will be an opportunity at the end of the day to see the BRE fire research facilities.
