## NOTES

1. "x" in the version number may be incremented for minor updates that do not affect the calculated results or data on Improvement Package Reports. The software approval applies to any "x".
2. The list of programs is complete as at the date at the top of the page. Additional programs may be added.

For further information on GD Occupancy Assessment, SAP 2012 and RdSAP 2012 see: [www.bre.co.uk/sap2012](http://www.bre.co.uk/sap2012)

\* The OA programs listed have been checked by BRE on behalf of DECC. Whilst BRE has taken due care and precaution in testing the programs, it will not be held liable for any failure or consequence thereof that may occur in their use or application.
