NOTES

1. E: England; W: Wales; S: Scotland; NI: Northern Ireland. SAP 2012 is not yet applicable in Scotland or Northern Ireland.
2. "TER / DER" indicates whether the software calculates the target and dwelling emissions for building regulations. "EPC" indicates whether the software produces an energy performance certificate.
3. "x" in the version number may be incremented for minor updates that do not affect the calculated results. The software approval applies to any "x".
4. The list of programs is complete as at the date at the top of the page. Additional programs may be added.
